

A CHRISTIAN STUDENT DEVELOPMENT CENTER

Dear Parents,

June 17, 2022

Summer is in full swing and just around the corner, the school bells will be ringing sounding the first day of school and on behalf of the staff at Friendship Christian Academy, I am happy to welcome you to the 2022- 2023 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential.

At FCA, things have been booming, getting ready for the new school year. FCA gives families another option for education in Marshall County.

Our first day of school for the students is August 8, 2022. On the first day of school, parents with children in K-2nd grade are invited to walk their child to the classroom. The first week will be half days.

We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

We ask that you guide and support your child's learning by ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience
- Completes all homework assignments given by teachers
- Reads daily to develop a love for reading and to improve literacy skills
- Shares school experiences with you so that you are aware of his/her school life
- Informs you if he/she needs additional support in any area or subject
- Knows that you expect him/her to succeed in school and go on to college

We seek volunteers to help us as a substitute teacher when the lead teacher is sick and must be out, help with school-wide events and if you are crafty, the teachers could use your help during arts and crafts class. Give us a call if you can help.

Enclosed please find a copy of our Handbook of guidelines and rules so that you and your child can review them together. Please be sure to read through the handbook, there have been some changes made. If you have any questions about the contents and expectations, please feel free to contact Mrs. Osteen or to discuss them with your child's teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year. Please feel free to review the FCA Parent Handbook and catch us on Facebook or check out our website at www.fcaschools.com.

The wonderful FCA staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you on the first day of school, August 8, 2022.

Growing His Kingdom,
Mrs. Stephanie Osteen
